

### keep your students on track to their careers

MentorNet is a 12-year-old nonprofit working to help students in engineering and science achieve their career goals by matching them with mentors in industry.

### join a great and growing mission

Our goal is to diversify the global workforce and to level the playing field for college students in more than 65 challenging technical disciplines. We focus on women and under-represented minorities, and our program is open to any student on our partner campuses.

**25,000 PAIRS** We have formed and sustained 25,000 matched pairs of mentors-protégés in our 12 years

**1,380 EMPLOYERS** Our mentors come from 1,380 different employers

**150 PARTNERS** Colleges, universities, corporations, societies and professional organizations

**92% OF PROTÉGÉS** remain in their STEM fields 3 years after participating in MentorNet

**80% OF PROTÉGÉS** recommend MentorNet to their colleagues and classmates

**52% OF PROTÉGÉS** explore employment with their mentors' companies

**8 MONTHS** MentorNet guides the relationship for 8 months with prompts and suggestions

**15 MINUTES** Most pairs spend only about 15 minutes per week communicating

**ANNUAL FEES** from our partners sustain us
